Certificate of Attendance

This is to certify that

Mr./Ms. Jiye Qiu

Osaka University

has attended the 10th International Training Course on Carbon-ion Radiotherapy 2022.

December 12, 2022

Course Directors

Hirohiko Tsujii, M.D.,Ph.D.
Visiting Researcher,
QST hospital
National Institutes for Quantum Science and Technology (QST)

Hiroshi Tsuji, M.D.,Ph.D.
Director,
International Particle Therapy Research Center, QST Hospital
National Institutes for Quantum Science and Technology (QST)

Tatsuya Ohno, M.D.,Ph.D.
Director
Professor
Gunma University
Heavy Ion Medical Center (GHMC)

ITCCIR is organized by;
National Institutes for Quantum Science and Technology
Gunma University Heavy Ion Medical Center
East Japan Heavy Ion Center, Yamagata
Hokkaido University PBTC
Hyogo Ion Beam Medical Center
i-ROCK, Kanagawa Cancer Center
Osaka Heavy Ion Therapy Center
PMRC, University of Tsukuba
SAGA HIMAT
Association for Nuclear Technology in Medicine (ANTM)
